Ephesians 4:1-6 • May 5, 2024

Three Questions

1. Is Salvation By Grace Through Faith?

Salvation is by G_____ (Rom 11:5-6; Eph 2:1-9; Titus 3:3-7)
through F_____ (Rom 4:4-5, 16; Eph 2:8; Rom 10:9).

But this includes a whole-self response of faith, including B_____
(compare Rom 10:9-13 with baptism texts).

2. Which baptisms count? Do I need to be rebaptized?

Our conversion is not to baptism but to C_____.

Conversion is a story of G_____ at work.

The only example of rebaptism in the NT involved knowledge of the
S_____ (Acts 19).

Paul is against anyone serving as the “S_____ D_____”
to approve people.

3. If baptism unites us, why are we divided?

Paul (in Ephesians 4) and Peter (in 1 Peter 3) argue that baptism means we
are “in this T_____.”
