

The Basis of Unity

Galatians 3:26-28 • October 5, 2025

We need a better basis for unity than P _____,
P _____, or P _____.

John's Gospel calls Jesus the W _____ (Jn 1:1-4) and the
T _____ (Jn 14:6). Paul tells us that we are
S _____ in Christ Jesus (1 Cor 1:2). How might this help
explain John 17:17-19?

Paul offers a 3-dimensional answer for how to find unity in Christ
Jesus (Eph 4:3). This involves:

- 1) A _____ (Eph 4:2)
- 2) B _____ (Eph 4:4-6)
- 3) C _____ (Eph 4:1)

Paul's 7 "ones" are these: One B _____, One
S _____, One H _____, One L _____,
One F _____, One B _____, and One
G _____.

How might we find unity even with strong convictions (Rom
14:1-15:13)?
